

CALL FOR BIDS

Sealed bids will be received by Garco Construction, Inc., General Contractor-Construction Manager for the Spokane International Airport Security Upgrades Project at 4114 E. Broadway Ave., Spokane, WA 99202, until **10:00 AM on November 7, 2018** for following bid packages for the Airport Security Upgrades Project #15-43-1866:

- BID PACKAGE #2 – ELECTRICAL INFRASTRUCTURE & SECURITY**
- BID PACKAGE #3 – LOCAL AREA NETWORK**
- BID PACKAGE #4 – PUBLIC ADDRESS SYSTEM**
- BID PACKAGE #5 – ROTUNDA VIDEO DISPLAYS**
- BID PACKAGE #6 – PRECAST WALL SUPPLY**

AT SPOKANE INTERNATIONAL AIRPORT

It shall be the duty of each Bidder to submit his/her bid on or before the hour and date specified. Bids will be opened and publicly read aloud at the designated time listed above. Any bids received after the time for opening cannot, and will not be considered.

A MANDATORY Pre-Bid Conference will be held in the Executive Conference Center of the Spokane International Airport Administrative Offices at **1:00 PM on October 18, 2018**. Major suppliers and vendors are encouraged to attend; however, it is mandatory for Prime Subcontractors only. Any bid submitted by a firm, which did not attend this pre-bid conference, will be rejected.

The general nature of the Work is as follows:

- The Work will be broken into the bid packages listed above and includes furnishing and installing new electrical infrastructure including all video communication cabling, power feeds, software, installation, programming and training to new Electronic Video Information Displays (EVIDS) throughout the terminal; Video Display Walls in the Rotunda; Local Area Network (LAN) with new fiber backbone and redundant virtual servers and media players to drive the video displays; New Public Address (PA) System which utilizes existing speakers; supply of the Precast Concrete Security Screen Wall; Perimeter airfield fence Security Gate access control improvements to include card readers, video surveillance, security, and new fiber cabling; Terminal Access Control enhancements to include Card Readers and Video Surveillance for all Jetway doors.

Contract Documents are available at <http://siaplanroom.com/public.php>. Documents can be viewed and/or purchased online. The Planholders List is also available at this website. All addenda will be issued through email. Bidders must order online to be placed on the Planholders List and to receive automatic e-mail notification of addenda. Abadan

Reprographics & Imaging, 603 East Second Avenue, Spokane, WA 99202 (Phone: 509-747-2964) should be contacted with website and plan ordering questions.

A Subcontract agreement with Garco Construction, Inc. according to the General Conditions, Supplementary Conditions, and Addendums (if applicable) shall be signed prior to work commencing. A bid bond is required for any bids over \$300,000. If bidder is awarded a subcontract over three hundred thousand dollars (\$300,000), the bidder shall provide a performance and payment bond. This is a prevailing wage project per applicable State Law.

Garco Construction, Inc. reserves the right to reject any and all bids, to waive any informality, to accept any alternate bids, and to make such award that it deems to be in the best interest of the Spokane International Airport pursuant to the terms of the Instruction to Bidders and General Conditions. The contract will be awarded to the lowest responsive and responsible bidder. All bidders are cautioned to be aware of the requirement to have their bids considered responsive.

Garco Construction, Inc. is an Equal Opportunity Employer and encourages Women, Minority, Disadvantaged Business Enterprises and small businesses to participate in the competitive bidding process.

For additional information please contact Rob Decker, Project Manager, at (509) 232-1269 or email at robertd@garco.com.
