

EMERGENCY LANDING

(Spokane, WA) - A FedEx DC-10 cargo plane with 3 crew members on board departed Spokane International Airport at 7:30 p.m. At approximately 40-miles northeast of the airport, the flight crew detected smoke or flame in the aircraft's cargo hold.

The aircraft returned to Spokane International Airport and landed safely at 8:10 p.m. Neither flame nor smoke was detected by emergency responders.

For additional information, please call FedEx media affairs at 901-434-6000.
