Request for Qualifications Spokane International Airport Professional Consulting and Engineering Services State Waste Discharge Permit Stormwater Support Services, #18-43-9999-020

The Spokane Airport Board is requesting Statements of Qualifications from qualified firms or teams of firms to provide comprehensive Professional Consulting and Engineering Services for Spokane International Airport's State Waste Discharge Permit (SWDP) Stormwater Support Services Program.

The SWDP Stormwater Support Services are associated with discharge of stormwater to ground and groundwater and associated deicer recovery and treatment operations over the next 5-Year permitting timeline.

The SWDP Support Services are to provide comprehensive management and technical consultation for the compliance program administered under the Ecology permitting, monitoring, and documentation requirements, and continuing regulatory processes.

The Request for Qualifications is posted on the Spokane Airports website: <http://business.spokaneairports.net/rfp>. For additional information contact Matt Breen, Director of Planning & Engineering, Spokane International Airport, mattb@spokaneairports.net.

A non-mandatory Project Informational Meeting will be held on June 28, 2018, at 10:00AM in the Board Room at the Spokane International Airport.

Statements of Qualifications shall be delivered to the Spokane International Airport, 9000 W. Airport Drive, Suite 204, Spokane, WA 99224 no later than July 6, 2018 at 2:00PM.

The Spokane Airport Board is an equal opportunity employer.

Dated this 19th day of June 2018.
