

**Request for Qualifications
Spokane International Airport
Consulting Architect/Engineer Services**

Terminal Renovation and Expansion (TREX) Program, #17-44-1898

The Spokane Airport Board is seeking Statements of Qualifications (SOQs) from qualified firms or teams of firms to provide comprehensive Consulting Architect/Engineer (A/E) services for the Airport's Terminal Renovation and Expansion (TREX) Program. The Board intends to deliver a series of projects that will unify the terminal complex, provide for future growth, improve efficiency by optimizing passenger flow and use of space, and upgrade the overall passenger experience at Spokane International Airport.

SOQs will be received by the Spokane Airport Board at Spokane International Airport, 9000 West Airport Drive #204, Spokane, WA, 99224, no later than 2:00PM local time on July 10, 2017.

A non-mandatory Project Informational Meeting will be held in the Board Room at the Spokane International Airport at 2:00PM local time on June 21, 2017.

The Request for Qualifications is posted on the Spokane Airports website: <http://business.spokaneairports.net/rfp>, or you may contact Matt Breen, Director, Planning & Engineering Department, at mattb@spokaneairports.net.

The Spokane Airport Board is an equal opportunity employer.

Dated this 2nd day of June 2017.
