Combined RFQ Informational Meeting

#23-30-1793 Felts Field Gateway Improvement Projects

#23-30-1792 Felts Field Northeast Hangar Development

#23-41-1795 Spokane International Airport Multiple Airfield Improvements

June 1, 2023

Spokane International Airport
GEG – GENERATING ECONOMIC GROWTH

Informational Items

- SOQs will be received by the Spokane Airport Board no later than 2:00 p.m. on Thursday, June 22, 2023 (5 hard copies, 1 thumb drive in pdf format)
- Follow submittal requirements and format as identified in RFQ.
- Firms are advised to familiarize themselves with the Airport's PSA and be prepared to accept without modification to the terms and conditions. The selected consultant will be expected to execute the Airport's PSA.
- It is anticipated the PSA will be awarded at the August 2023 Board Meeting.

Statement of Qualifications

➤ Specific Relevant Projects

- Similar scope that the proposed key personnel and/or team have participated and completed in the past five years.

➤ Project Organization and Staff Experience

- Organizational structure that is proposed to implement the project, identifying the primary point of contact, support staff, sub consultants, and the location of office where the majority of work will be completed. Include brief resumes of the key project personnel.

➤ Project Understanding and Approach

- Demonstrate an understanding and familiarity of this project. Describe your approach to successfully completing the project.

➤ References

- Three references that have specific knowledge of relevant work performed.
